

## Day 3: Conditional Probability

---

 [hackerrank.com/challenges/s10-mcq-4/problem](https://hackerrank.com/challenges/s10-mcq-4/problem)

### Objective

In this challenge, we get started with conditional probability. Check out the [Tutorial](#) tab for learning materials!

### Task

Suppose a family has 2 children, one of which is a boy. What is the probability that both children are boys?

1 / 3

1 / 2

2 / 3

1 / 9

You have 3 attempts left.
